## Preface

Thank you for visiting "**Navigating the Financial Landscape: A Comprehensive Guide to Financial Law and Management in the Modern Era.**" It is more important than ever to comprehend the nuances of financial legislation and management in today's fast-paced, constantly-evolving environment. The goal of this book is to demystify these difficult topics and give you a clear, useful guide to navigating the financial world.

This book is meant to be understandable and educational for anyone with a strong interest in money, regardless of their level of education or experience. We have made an effort to simplify difficult ideas into language that is easier to grasp and to highlight important ideas with examples from everyday life. Our mission is to provide you with the information and resources you need to manage your personal finances, operate a business, or pursue a career in finance.

Navigating a large and frequently difficult landscape is similar to travelling through the world of financial legislation and administration. We hope that this guide will act as a trustworthy map for you, enabling you to navigate the area and steer clear of typical traps. We appreciate you coming along on this trip with us, and we hope all of your financial endeavours turn out well.

## **Acknowledgement**

Without many people's encouragement and support, this book would not have been possible. First and foremost, we want to express our gratitude to our families, who have supported us tremendously during this project. Throughout the lengthy hours of study and writing, your tolerance and understanding have been greatly appreciated.

We owe a debt of gratitude to our mentors and colleagues, whose advice and ideas have made this work even better. We would also like to thank our editor, whose astute observations and well-considered recommendations have greatly raised the calibre of this work. Your personal tales and real-world experiences, friends and colleagues in the finance sector, have given our conversations more substance and genuineness.

We also want to thank all of the writers and scholars whose contributions have helped us to comprehend financial law and management. This book is based on the contributions you have made to this field.

Finally, we would want to sincerely thank you, the reader. This book is driven by your curiosity and desire to learn. As you travel through your own financial journey, we hope you find it to be both educational and motivating.

**Mohd Shahid**

## About the Authors

**Mohd Shahid** is an Assistant Professor in the Mechanical Engineering Department at Rajasthan Technical University, Kota. With a robust academic foundation, he completed his B.Tech in Aerospace Engineering in 2010 and went on to earn an M.Tech in Aerospace Engineering from JNTU Hyderabad. His academic journey is complemented by 9 years of dedicated teaching experience at Rajasthan Technical University, where he has been instrumental in shaping the minds of future engineers. His expertise lies in the interdisciplinary fields of aerospace and mechanical engineering, enabling him to bring a unique perspective to his teachings. Mohd Shahid is committed to fostering a rigorous academic environment and contributing to research and development in his field.

**Dr. Harshali Gomase** is an Assistant Professor at Matrix School of Management Studies, affiliated by Savitribai Phule Pune University. She is a faculty and having teaching and research experience in the Finance and Management. She has been teaching the subject like Managerial Accounts, Advance Financial Management, Direct & Indirect Taxes, Corporate Governance, Fundamental of Management, Qualitative Research Method, Cyber Law etc. Dr. Harshali Gomase also contributed over a dozen of research papers in international, national journals and conferences. She has published on patent in the field of finance & e-commerce. She is actively involved in various social activities and social organizations. She is the best motivator and academic counsellor for the students.

**Dr. M. Gurupandi**, an accomplished academician, currently serves as an Associate Professor in the Department of Commerce at Alagappa University, Karaikudi. Born on June 4, 1980, he specializes in Cost & Financial Accounting and Financial Management. The academic credentials include a Ph.D. in Commerce from Madurai Kamaraj University, where he completed his doctorate in September 2008. He also holds an M.Phil in

Commerce from the same university, attained in August 2003, and an M.Com from Vivekananda College, Madurai, completed in April 2002 with first-class distinction. His academic rigor is further demonstrated by his completion of a Certificate Course in Mass Communication and Public Speech, and proficiency in commerce, where he secured second place in his postgraduate degree course. Over the span of his 16-year teaching career, he has made significant strides in both academia and research. His professional journey at Alagappa University began in 2010 as an Assistant Professor in the Department of International Business and Commerce. In 2016, he transitioned to the Department of Commerce and was promoted to Associate Professor in 2022. His teaching expertise covers Cost & Financial Accounting and Financial Management, areas in which he has guided numerous students to academic success. His research portfolio is impressive, with 14 years dedicated to exploring various aspects of commerce. He has supervised one completed Ph.D. dissertation and continues to mentor six ongoing Ph.D. candidates. Additionally, he has guided 22 M.Phil scholars and over 75 postgraduate students in their research projects. His research has been widely recognized, with 20 publications in international journals, 45 in national journals, and contributions to 33 other academic publications. His academic contributions extend beyond teaching and research. He has been actively involved in several administrative and leadership roles within Alagappa University. As the Program Officer for the National Service Scheme (NSS) Unit AU 01, he has played a pivotal role in fostering community service and social responsibility among students. He also serves as the Coordinator for the Consumer Club and the Small Industries Service Unit (SISU), initiatives that aim to bridge the gap between academia and industry. He has successfully secured and managed several funded projects. Notably, he received grants from the University Grants Commission (UGC) for raising awareness of patent rights among university students and from the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) for establishing industry linkages and industrial parks. His ability to attract substantial funding

underscores his commitment to advancing research and fostering industry-academia collaboration. Beyond his university responsibilities; he is an active member of various professional organizations. He holds lifetime memberships in the Indian Commerce Association, the International American Council for Research and Development, and the South Asian Network for Development and Environmental Economics, among others. His involvement in these organizations highlights his dedication to staying connected with the broader academic and professional community. His contributions have been recognized through various awards and honors. He has received travel grants to present his research at prestigious conferences and has been invited to participate in academic events both nationally and internationally. His work on a Retail Distribution Outlet Management System using Blockchain technology, for which he filed a patent, exemplifies his innovative approach to addressing real-world challenges.

**Dr. Neeta Dhusia Sharma**, experienced academician currently working as an Associate Professor in Department of Management Studies, SMIT, Sikkim. She has 20 years of teaching & Industrial experience. President of an NGO, ‘Avigna the saviour welfare society’. Has authored several research papers related to various topics in Finance, Management, Renewable energy and Banking. Her maximum research works have appeared in Scopus, UGC Care and ABDC journals. She serves as a research guide, mentoring scholars in their academic and research pursuits. She has delivered various talks and chaired various national & internationals sessions. Resource Person for center for Conflict management: IIM Indore Initiative.

**J. Rajesh** is a seasoned academician with over 17 years of rich teaching experience. Currently serving as an Assistant Professor in Commerce and Management Department and Dean of Administration at Srinath University, Jamshedpur, he brings a wealth of knowledge and expertise to the academic arena.

With a diverse educational background, J. Rajesh is pursuing Ph.D. and is a Chartered Fellow Member of Central Christian University (CCU), Malawi). He is also a distinguished Fellow Member of Eudoxia Research University, New Castle, USA (FMERU), as well as a Fellow Member of Eudoxia Research Centre, ERC-India (FMERC). His academic pursuits have been further enhanced by earning an MPhil and an MBA in Finance. Additionally, he holds the prestigious Chartered Financial Analyst (CFA) designation, demonstrating his commitment to excellence in the field of finance.

Having dedicated nearly 17 years to instructional roles, J. Rajesh is adept at engaging students and fostering an environment conducive to learning. His passion for education and his ability to impart knowledge effectively make him an invaluable asset to any academic institution.
